Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This three-bay framed and weatherboarded I house dates from the turn of the century. Distinguished by a narrow front-facing gable with a pointed-arch window, it faces west onto Sedwick Street. The house has brick chimneys built along the interior partition walls and two-over-two double-hung sash windows. There is a two-story rear ell. A one-story hipped-roof porch set on wood posts shelters the facade. The original weatherboarding has been replaced with vinyl siding.
